

Four new Kits to Go by Terry Dryden now available at River Silks.

NEW TERRY DRYDEN KITS TO

Pictured clockwise: "Orchid", "Dahlia", "Daisy" and "Hibiscus". Each Kit To Go includes hand-painted canvas, stitch guide, and River Silks 100% silk ribbon.

OCTOBER 2009

New Collections

Cotton Candy

Fireball

Neon

Threading the Needle:

Use a piece of ribbon 2 to 3 feet in length. Cut the ribbon on the diagonal and put the point of the ribbon through the eye of the needle. Pull the ribbon through about 3 inches. Now put the needle through the ribbon at about a half-inch from the point of the ribbon. Pull on the long end of the ribbon to secure the ribbon to the needle. This called the "Needle Eye Lock Stitch".
